Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing on behalf of the Cummins College of Engineering for Women, Nagpur, with a humble request for your collaboration in organizing an eye check-up camp during our annual camp in the village of Khapa.

As a part of our annual NSS camp for the academic year 2023-24, scheduled from 25th January 2024, in the vicinity of Savner, we are keen on extending our services to the residents of Khapa. We believe that conducting an eye check-up camp would greatly benefit the community in the villages of Khubala and Rasala.

We propose to conduct the eye check-up camp on 27th January 2024, between 9:00 am and 12:00 pm. Our aim is to provide essential eye care services to the villagers and create awareness about the importance of regular eye check-ups for maintaining good eye health.

We are aware of your organization's commitment to community welfare and health initiatives, and we believe that your partnership in this endeavor would significantly enhance the impact of our outreach program. Your support would contribute to the well-being of the residents of Khapa and surrounding areas.

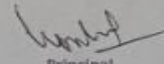

We would be grateful for a positive response from your side to proceed with the necessary arrangements for the eye check-up camp. Your collaboration will undoubtedly make a difference in the lives of the villagers, and we look forward to working together to ensure the success of this initiative.

## Guest Lecture on Cyber crime by API Mr. Amol Dond

**Date: 21/08 2023**

The transition from junior college to graduation is indeed one of the most significant shifts in a student's life. At Cummins College of Engineering for Women, Nagpur, the institution understands the challenges new students face in adjusting to an unfamiliar environment. Recognizing the importance of a smooth transition, the college organized a comprehensive Student Induction Program for the 2023 batch, held from August 7th to August 24th, 2023.

As part of this induction, the Allied Science Department arranged a valuable guest lecture on cybercrime awareness. The session was conducted by Mr. Amol Dond, an Assistant Police Inspector from Hingna, who provided insights into the importance of precautions and awareness in the realm of cybercrime. Principal Dr. Milind Khanapurkar commended the department for organizing this essential session, emphasizing its relevance for today's tech-savvy generation.

This induction program, through sessions like the cybercrime lecture, aims to equip students with knowledge and guidance as they begin their journey in higher education.

## **Organ Donation Session on international Organ Donation Day**

Date: 3/08/2023

Organ Donation seminar organized by the NSS unit at Cummins College of Engineering for women in Nagpur on the occasion of International Organ Donation Day 3<sup>rd</sup> August 2023 play a crucial role in raising awareness about organ donation and addressing the shortage of organs for transplantation.

It's particularly impactful when such events are organized within educational institutions, as they have the potential to reach a large number of students and create a lasting impact. The session conducted by senior students to educate their peers about the importance of organ donation and the procedure involved is commendable.

The fact that five students were willing to fill out the forms to become organ donors is a significant step forward. Each donor has the potential to save or improve the lives of multiple individuals through their selfless act. It's inspiring to see young people actively participating in such noble causes and making a difference in the lives of others.

Total 150+ students were attended this session.
