3.4.1. Outcomes of Extension activities in the neighbourhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

The motto of NSS unit of the college is to encourage the young generation to imbibe responsible citizen of country with social sense and to serve the nation to know the ground reality and connect with the neighbour community. Over the last five years, institute has conducted several extension activities in neighbourhood community aimed at impacting and sensitizing the students to social issues and to promote their holistic development.

- The NSS activities of the college are partially financed by NSS cell of affiliating university. The college has separate office and other facilities for NSS cell.
- The institute has UBA unit and has received funding from Directorate of Technical Education. “Unnat Bharat Abhiyan” a flagship national program of Ministry of Human Resource Development (MHRD), Government of India and IIT Delhi to develop villages in the vicinity of institution. Under this we have adopted 5 villages Lakhmapur, Mandwa, Pipaldhara, Sukali and Salai Mendha.
- Total 100 + volunteers get registered every year. The unit organizes skill development activities in adopted villages like Computer Awareness, Yoga, Paper Craft, Communication skills etc. and many social awareness activities in campus.

- NSS unit is associated with “Sewa International Foundation”. We have conducted the activity “Sewa Samwad” to encourage the volunteerism in students and “Sewa Hours” for villagers.
- The college further wishes to bring awareness in the village students about provisions of NEP -20, emerging and thrust areas in engineering and technology and other such activities leading to make our nation a developed superpower nation.
- Overall, these extension activities have a significant impact on students and the neighbourhood community. It sensitized the students to social issues, fostered empathy and encouraged active citizenship. Additionally, these activities helped the students to develop a holistic understanding of various social challenges and equipped them with essential skills for personal and community development.

Duty at COVID centre during lockdown

It's truly commendable that Cummins College of Engineering for Women, Nagpur, contributed its services to support people affected by COVID-19. The decision to depute seven non-teaching faculties to the Primary Health Centre in Hingna Block for two months shows a strong commitment to community service during the challenging times of the pandemic.

The staff members who served, their efforts likely involved various roles related to supporting COVID-19 affected individuals. Some roles and contributions include:

1. **Assisting Healthcare Professionals** : Non-teaching faculties may have assisted healthcare professionals in various capacities, helping with administrative tasks, data management, or any other support required at the Primary Health Centre.
2. **Providing Information and Guidance** : They might have played a role in providing information and guidance to the community about COVID-19 protocols, safety measures, and available resources.
3. **Logistical Support** : Non-teaching staff could have been involved in logistical support, ensuring that the Primary Health Centre operated efficiently and effectively during the heightened demands of the pandemic.
