1.Ms. Vaidehi Chinchulkar alumina of 2014 batch of Mechanical Engineering department donated Mobile Handsets.

Date: 10 Mar 2022

To  
The Principal  
Cummins COEW, Nagpur

Sub: extension of helping hands towards our students by an alumna

Respected Sir,

As a result of our efforts towards building a repute of our organization i.e., *Maharshi Karve Stree Shikshan Samstha* and *Cummins College of Engineering for Women, Nagpur*, within our alumnae, we continuously are getting a good support from them to our appeal to come forward and extend a hand of support to our *Samstha*.

Our first batch student and alumna Ms. Vaidehi Chinchulkar also extended her helping hand towards my appeal to help out few needy students. She donated 10 latest smart mobile handsets to us for the use of students.

We have distributed those handsets to needy students as suggested by our class teachers and Dr. Sanjivani Shastri madam and with your kind permission during National Science Day program and International Women's Day event held in our college on 28<sup>th</sup> Feb 2022 and 8<sup>th</sup> March 2022 respectively.

Requesting you to kindly approve the enclosed Thanking letter to be sent to Vaidehi and allow to proceed for entry of these handsets in our Donations in Kind category.

Also is enclosed the copy of sheet signed by students who are benefited by this mobile distribution.

I am thankful to you for constantly encouraging and guiding me for this work of inspiring our ex-students for this noble cause.

To

Vaidehi Chinchulkar

Sub: appreciation and thanking for extending helping hand towards our needy students

Dear Vaidehi,

Hope you are doing well!

We at Maharshi Karve Stree Shikshan Samstha and Cummins College of Engineering for Women, Nagpur are always feel proud to have alumnae like you who always respond to our appeal and come forward to help out the juniors of this institute by all means.

We really appreciate your donations of Mobile Handsets which are really helpful to the students for their study and other academic purpose.

It is a happy moment for us to share with you that we have recently distributed these mobile handsets to 10 needy students on International Women's Day and National Science Day events.

We are thankful to you for this kind gesture towards society at a large and trust that you will continue such good gestures in future as well. Our faculty Prof. Yogesh Dandekar will remain in touch with you for further discussions and updates from us.

Our Best Wishes are with you for your career and future.

Thanks, and Regards

Dear Sir

**Greetings from Cummins College of Engineering for Women, Nagpur!**  
Maharshi Karve Stree Shikshan Samstha (MKSSS) is working for empowerment of women since last 125 years in various places all over Maharashtra. Cummins College of Engineering for Women (CCOEW) at Hingna, Nagpur is one of 70 units of MKSSS. Due to the Covid 19 pandemic, new normals are being set where teaching/ Learning process has gone online. CCoEW has many students who are facing problem in their Teaching/ Learning because of low socio-economic conditions. CCoEW is connected many philanthropists who help our students pay their fees or help them to buy books.

We are pleased to accept offer made by your organization to donate Tablets to 15 of our students so that their learning gets facilitated. Following students have consented to contribute Rs. 2000/- to get a Datamini Tablet for themselves.

6. Alumina day is celebrated on the first Sunday of August.

## **Alumnae Day Celebration 2022-23**

This is in reference to the Cummins Day Celebrations we attempted to hold globally for our student Alumni on August 7th, 2022, at their respective places of work or residence. This activity was carried out in six locations in India, both physically and virtually, for students working offshore and in remote areas. Nagpur, Pune, Hyderabad, Bangalore, and Vadodara were the areas identified within the country. A central faculty coordinator was appointed to work with faculty coordinators from various departments in each area/region and year. Region/Area coordinators collaborated with student coordinators from various groups, and student coordinators collaborated with their respective batch mates. 17 students from Nagpur, 3 from Pune, and 4 from Vadodara met. On that particular day, five students from different locations were in Nagpur and met. According to reports from all centre coordinators, the following topics were discussed: job, organisational work culture, type of work, nature of duties, college experience and memories, donations for college, admission assistance, junior placements, and handholding. The faculty coordinators informed the student coordinators of the meeting's agenda. The photographs received from various locations are attached herewith.

## Global Scenario

- Transport sector contributes one-quarter of global energy-related direct CO2 emissions.
- In 2019, the global electric car stock hit 7.2 million units.
- It recorded 60% annual average increase over last five years.

Source: IEA Global EV Outlook 2020

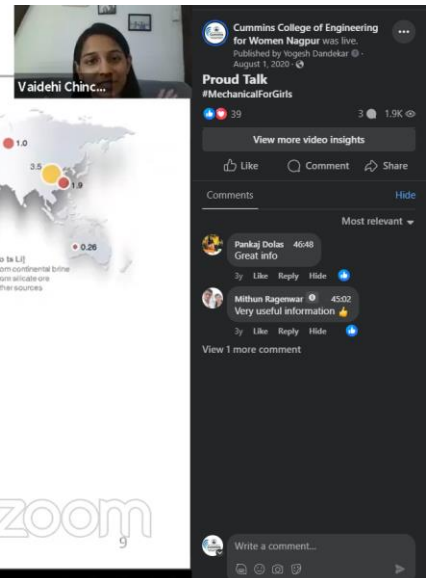

## Limited Supply of EV components

- Dependency for raw materials
  - No Lithium reserves
  - Imported from Australia, South America, China
- Lack of Li-ion battery manufacturing facilities
  - A few OEMs have begun assembly of Li battery packs
  - Dependency on imported battery components
- Expensive: 41% import tax on Li-ion batteries
- Unpopular value chain based custom duties concept
  - CBU (Completely Built Up)
  - SKD (Semi Knocked Down)
  - CKD (Completely Knocked Down)
